South County Periodontics & Implant Dentistry

Our practice is committed to excellence and is dedicated to providing the highest level of care, service and value. Our doctors are board certified specialists and clinical professors within the local schools of dentistry, including Loma Linda University and USC. Our practice is the only office in Orange County with three diplomates of the American Board of Periodontology with faculty appointments. Together with a friendly and caring staff, patients are well taken care of and will feel right at home.
